# Gardens of Hope | Gift Catalogue

2022

A young boy with a joyful expression, smiling broadly, is the central focus of the image. He is shirtless and appears to be sitting on a bed or a similar surface covered with a light-colored, textured fabric. The background is dark and out of focus, with a patterned curtain visible on the right side. The overall mood is warm and hopeful.

*Which life-changing gift  
will you choose?*

## HOW THIS CATALOGUE WORKS:

### **1 Choose a gift.**

Browse through your catalogue and find the perfect gift for yourself or to honour a loved one. Your meaningful gift will make a difference for families in Uganda.

### **2 Fill out the order form.**

Once you select your gifts, fill out the order form and mail it back to us with your donation in the enclosed envelope.

### **3 Transform lives.**

Your gifts make it possible for families in Uganda to feed their bodies and their souls.

## HOW YOUR GIFT WILL BE USED

We promise to use your gift in the most effective way possible. If a specific need has been met for the gift you selected, Cal Bombay Ministries may use your gift for a similar project or where most needed.

# GIFTS FOR THE GARDEN

## Seeds for life-saving gardens

Without seeds, there is no food. Good quality seeds are too expensive for refugees to purchase.

Your gift of quality seeds means that each refugee can plant a variety of vegetables and have a healthy, balanced diet.

**Seeds for five families  
\$30**

# GIFTS FOR THE GARDEN

## Help with hoes for five families

Hoes are vital for digging gardens and keeping them weed-free, but are too expensive for most refugees to purchase.

Your gift of a hoe will make it possible for a family to work their soil and plant a life-saving garden.

**Hoes for five families**  
**\$25**

## Essential soap for five families

Soap is a basic necessity. It has become very expensive and purchasing it in the market is a challenge for most refugee families. Good hygiene, like good food, promotes good health.

You can give a family a 1kg bar of multi-purpose soap.

**Soap for five families**  
**\$17.50**

# GIFTS FOR THE GARDEN

## Garden-saving watering cans for five families

When homes have no running water, watering cans are invaluable. Many beneficiaries are thankful to have an extra container for fetching water as well as for using in the garden.

Your gift of a watering can will be used daily to carry water from the wells to the home and garden.

**Watering cans for  
five families  
\$15**

# GIFTS FOR THE GARDEN

## Sack gardens for five families

Refugees need to grow food, but don't have much land or water.

Sack gardens can produce an abundance of food in a very small space and use much less water than traditional gardens.

Your gift will provide refugee families with growing sacks so that they can grow the food they need.

**Sack gardens for five families**  
**\$20**

*"I have learned to cultivate  
in a limited space."*

*--Mary Pita*

# GIFTS FOR THE SOUL

## God's Word in their language and in their homes

Many refugees can't afford to replace the Bibles they left behind. They long to have a Bible to use at church and home with their children.

Your gift will ensure that each family can have a Bible in the language of their choice.

**English Bible \$7**

**Bari Bible \$13**

## Meeting refugees' spiritual needs

Church is an important part of many refugees lives. They gather to worship, heal from trauma, and grow in God. Because most refugees have no income, they aren't able to support the church financially.

Your gift will meet the spiritual needs of the community through the ministry of Good Friends Church.

**Provide one week of ministry  
\$325**

**Provide one month of ministry  
\$1300**

“I can read the Bible whenever I want to be in touch with God. My husband and I have learned how couples can stay together through reading the Bible. Now, our whole family was changed by the Bible to become born-again Christians. Thank you for giving us knowledge that we can keep using.

-Golda Kadi Kenyi

## One of everything: A Gardens of Hope Kit

A Gardens of Hope kit has everything a family needs to plant a garden (seeds, hoe, sacks, watering can), plus soap, a Bible, training and follow up visits.

**Gardens of Hope Kit \$50**

## Join the Club: Make it monthly

When you choose to make your gift on a monthly basis, you provide sustaining support throughout the year to families in need. You'll be part of our Garden Club and receive special updates on how your gifts are changing lives.

*"You people surprised us with these gifts. We appreciated it. You are providing what people need."*
